

SECTION 6 – ANTENNA DISH RULES

6.1 Antenna Dishes – No owner may install any antenna dish or other receiving device in or on the common elements except as provided in Section 10.13 of the Declaration.

6.1.1 No owner may drill into the exterior wall of a unit to attach or run cable for an antenna dish or other receiving device. Violation of this rule will result in a \$100 fine and the homeowner must have the damage to the exterior wall repaired by a professional within thirty (30) days and presented to the Board.
